BACKGROUND AND EXPERIENCE

1. Please briefly present the organization.

Zift Organisation was established in 2009 under the leadership of two lawyers. Zift Organization has supported institutions, organizations and individuals interested in youth projects by providing training on project writing, project implementation process and reporting phases of youth projects. Zift Organization supported these communities interested in youth projects by providing training on project writing. Currently, we have 275 active and approximately 500 passive members in 7 different cities and universities.

Our organization that guides the communities studying with us, supported its communities regarding Erasmus Plus projects about education, health, human rights, women's and children's rights, refugee rights, culture and arts, environment, society and entrepreneurship, youth camps, personal development training and social awareness seminars.

Our organization aims to create the formation of a society that adopts lifelong learning and self-renewal as a principle, sensitive to culture and art, benefactor, respecting human rights and combining theory and practice, and the organization aims to serve the information society equipped with these qualities.

Our organization is loyal to Mustafa Kemal Atatürk's principles and reforms, and works according to the founding purposes of the Republic of Turkey, secular, democratic, productive. However, our organization continues its activities in order to contribute to the formation of a society that is sensitive to the problems of our country and the world and produces solutions for these problems.

Basic Values of our Organization;

- Continuous improvement,
- Reliance,
- Sustainability,
- Accountability,
- Political objectivity,
- Collaboration,
- Improvement of our nation,
- Improvement of the world's nations.

Our vision is to support the active participation of everyone in the lifelong learning process while acquiring information regarding the history and culture of various nations.

Our mission is to serve with honesty, equality and loyalty in a manner that respects every culture and society, to comply with the laws, economic and moral principles and values in all our training and projects.

Our general goal is to work on determining the education and learning needs of the society within the perspective of lifelong learning, to ensure all individuals especially young people to benefit from all opportunities, to complete basic education, to raise personal development and awareness, to show that culture illuminate the inner life and enhance the creativity and imagination while developing and implementing training programs,

Apart from our foundation objectives, another goals that will support our development are as follows;

1. Conducting scientific research within the scope of Lifelong Learning and encouraging young people in this direction,
2. Conducting activities concerning art and culture to bring communities together,
3. To develop awareness projects to indicate that art and culture boast multiple opportunities for learning
4. To carry out activities that protect the rights and freedoms of refugees, disadvantaged groups, women, unemployed individuals, disabled people and children,
5. Preparing, managing and being a partner of projects based on historical values, entrepreneurship, art, employment and unemployment, human rights and freedoms, environmental awareness and social awareness shared on international and national platforms.
6. To support the development of youth work and non-formal education opportunities with sustainable studies,
7. To encourage young people showcase their cultural knowledge and develop their artistic skills,
8. To support cooperation and communication between youth groups living in different countries and cultures,

To sum up; the basic principle of Zift Organization is to prepare projects that will benefit the national and international society, to implement these projects, to provide trainings on this subject, to carry out awareness studies about the benefits of sports to life, to work on youth and to cooperate with people and organizations that create social awareness and to do these activities with volunteer individuals.

II. What are the activities and experience of your institution / organization in the fields related to this application?

Our organization has provided training with the lifelong learning principle and voluntary service understanding and has taken part as a supportive umbrella organization in many projects within the scope of Erasmus Plus. Our organization, as well as raising young people in project writing and project management, also carries out many projects in order to raise the awareness of young people on issues such as world history, history of countries, world cultures, cultural heritage, art history, traditional cultures, forgotten values, historical heroes and historical figures. Our organization guides many

young people to know different cultures, enhance their historical knowledge and incorporate art and culture into their lives. In addition, our organization leads young people to break down their prejudices and aims to form social cohesion and solidarity, encouraging community closeness, empowerment, social tolerance, and civic pride with people open for improvement. In other words, the Zift organization plays the role of a guide.

- Our organization has been involved in and supported by more than 150 projects in the last 10 years.
- Our organization has developed international partnerships and networks by taking part in voluntary activities and Erasmus projects related to global problems, and issues concerning cultural heritage, reflecting emotions by art, and discovering new cultures.
- Our organization has also participated in many seminars, conferences and workshops.
- Our organization, which aims to keep young people at the forefront in terms of Erasmus Plus projects, has organized project writing camps and encouraged young people on projects to improve their cultural creativity and establish intercultural relationships.
- Our organization, which supports host organizations in many projects and provides project management, has also helped to report projects when necessary.
