BACKGROUND AND EXPERIENCE

1. Please briefly present the organization.

Zift Organisation was established in 2009 under the leadership of two lawyers. Zift Organization has supported institutions, organizations and individuals interested in youth projects by providing training on project writing, project implementation process and reporting phases of youth projects. Zift Organization supported these communities

interested in youth projects by providing training on project writing. Currently, we have 275 active and approximately 500 passive members in 7 different cities and universities. Our organization that guides the communities studying with us, supported its communities regarding Erasmus Plus projects about education, health, human rights, women's and children's rights, refugee rights, and also animal rights.

Our organization aims to create the formation of a society that adopts lifelong learning, is sensitive to respecting animal rights since they suffer unspeakable cruelties.

Our organization is loyal to Mustafa Kemal Atatürk's principles and reforms, and works according to the founding purposes of the Republic of Turkey, secular, democratic, and productive. However, our organization continues its activities in order to contribute to the formation of a society that is sensitive to the problems of our country and the world and produces solutions for these problems.

Basic Values of our Organization;

- Continuous improvement,
- Reliance,
- Sustainability,
- Accountability,
- Political objectivity,
- Collaboration,
- Improvement of our nation,
- Improvement of the world's nations.

Our vision is to support the active participation of everyone in the lifelong learning process and to highlight that all living things have their rightful place on earth and provide balance even if they do not have a voice.

Our mission is to serve with honesty, equality and loyalty in a manner that respects both humanity and society, to comply with the laws, moral principles and values in all our training and projects where the concept of animal rights is also rooted.

Our general goal is to work on determining the education and learning needs of the society, to ensure all individuals especially young people to benefit from all opportunities, to complete basic education, to support the necessary knowledge and skill acquisition, to develop and implement training programs for acquiring equal consideration, and responsibilities as inhabitants of this planet to care for our ecosystem by becoming the voice of animals.

Apart from our foundation objectives, another goals that will support our development are as follows;

1. Conducting scientific research within the scope of Lifelong Learning and encouraging young people in this direction,
2. Conducting professional needs determination studies for the education and learning needs of young people, children and women,

3. To develop training programs and awareness projects suitable for education and involving the protection of animals and animal welfare,
4. To carry out activities that protect the rights and freedoms of animals and also refugees, disadvantaged groups, women, unemployed individuals, disabled people and children,
5. Preparing, managing and being a partner of projects based on education, animal welfare and balanced ecosystem, entrepreneurship, employment and unemployment, human rights and freedoms, environmental awareness and social awareness published on international and national platforms.
6. To support the development of youth work and non-formal education opportunities with sustainable studies,
7. To direct young people to "green behavior", to ensure people to be included in environmental-themed projects,
8. Act with the principle of social inclusion in combating prejudiced attitudes and cruelties towards animals, such as, beating, kicking, overloading, torturing or inflicting pain

To sum up; the basic principle of Zift Organization is to prepare projects that will benefit the national and international society, to implement these projects, to provide trainings on this subject, to carry out awareness studies about the benefits of sports to life, to work on youth and to cooperate with people and organizations that create social awareness and to do these activities with volunteer individuals

II. What are the activities and experience of your institution / organization in the fields related to this application?

Our organization has provided training with the lifelong learning principle and voluntary service understanding and has taken part as a supportive umbrella organization in many projects within the scope of Erasmus Plus. Our organization raises young people in writing projects and managing projects, but also carries out many projects to raise awareness of young people on issues such as protecting animal rights and freedoms, protecting street animals, and preventing animal deaths. Our organization attaches importance to make sure that each individual and community take into consideration their responsibilities and open their eyes to inequalities and cruelties, especially for animal abuse. Additionally, we aim to contribute to animal welfare by raising their awareness of the next generation about this issue and emphasizing the idea that we cannot cause harm to animals just because we are at the top of the food chain. Thus, organization guides many young people for the creation of societies who respect the world and the other living things apart from themselves. In other words, the Zift organization plays the role of a guide.

- Our organization has been involved in and supported by more than 150 projects in the last 10 years.

- Our organization has developed international partnerships and networks by taking part in voluntary activities and Erasmus projects related to almost every global problem and social problem including the ones defending the rights of animals.
- Our organization has also participated in many seminars, conferences and workshops.
- Our organization, which aims to keep young people at the forefront in terms of Erasmus Plus projects, has organized project writing camps and encouraged young people on projects.
- Our organization, which supports host organizations in many projects and provides project management, has also helped to report projects when necessary.

Our Activities

We can define the activities of our organization under two headings as general activities and special activities.

The context specific activities of the organization

Our Erasmus Plus projects consist of the projects supported by the management of Zift Organization and the projects that our other organization SHAFT Youth Community participates in. We can show the following projects as an example to the educational projects of the host organizations we supported;
